Her Majesty came yesterday to Greenwich from my Lord Treasurer's. She was never in any place better pleased, and sure the house, garden and walks may compare with any delicate place in Italy. The day she came away, which was yesterday, my Lord of Oxford came to her presence, and after some bitter words and speeches, in the end all sins are forgiven and he may repair to the court at his pleasure. Mr Raleigh was a great mean herein, whereat Ponus in angry for that he could not do so much.
